R10,000

FREE Accidental
Death Cover*

**Paid to your family,
to use as they
choose.**

*If you die in an accident while driving your insured car.

Selected optional benefits are reflected on your Policy Schedule. Where optional benefits are added to your policy after purchase, cover in terms of those added optional benefits will only take place after the payment of your next monthly premium and subject to any benefit waiting periods.

1. Credit Shortfall Cover

- 1.1. If, after we've paid your bank for your stolen or written-off car, there is still a balance owing to your bank (a "shortfall"), we will pay an additional amount up to 20% of your car's **sum insured**.

- 1.3. The benefit does not cover a shortfall created because of any excess amounts owing or due to administrative costs related to the settlement of the credit agreement.

Example

Mr M has a car accident and his car is written off. His car's sum insured is R60,000, and he owes the bank R70,000. Mr M's claim is approved and R60,000 is paid to his bank. This leaves a shortfall of R10,000 (R70,000 - R60,000).

Fortunately, Mr M added the Credit Shortfall Cover to his policy. Now, Mr M can claim up to 20% of his car's sum insured i.e. up to R12,000 (R60,000 x 20%).

 - 5.2.3. If a preferred repairer is not available in your area, you can suggest any panel beater that is SAMBRA, RMI, or similarly affiliated. We will let you know which of your suggested repairers to use. This helps to ensure that repairs are done to an appropriate standard and that your car will be restored to its condition before the loss, but we do not guarantee this.

- 5.3. If you refuse to make use of one of our preferred repairers:
 - 5.3.1. We do not guarantee the quality of any repair work performed and cannot guarantee whether the parts used hold a warranty;
 - 5.3.2. You agree that you cannot hold us responsible for any repair work performed on your car that is not to your satisfaction; and
 - 5.3.3. You agree that our obligation to you is limited to the amount that our preferred repairer would have charged to repair your car.
- 5.4. When car parts need to be replaced:
 - 5.4.1. We will ensure safe repairs by following fair practices.
 - 5.4.2. If parts are unavailable and delay the repair, we will not compensate you for any inconvenience, financial loss, or liability caused by the delay.
- 5.5. All repair work must start within 60 days of our authorisation. If repairs are delayed by you, we will only pay the agreed amount as of the approval date, and you will cover any extra costs.

6. Settlement of Claims

- 6.1. We may choose to settle your claim by repairing your car or by paying the approved amount in cash.
- 6.2. Following the approval of your claim, you must:
 - 6.2.1. Consent to the settlement of your claim, by signing the agreement of loss for total loss claims, or by booking your car in for repairs.
 - 6.2.2. Payments for repairable damage will be made directly to our approved repairer / supplier and not to you.
 - 6.2.3. Payments for total loss claims will be made directly to the account from which the policy premium is paid, unless another party's interest is noted on the policy (e.g. a car financier or credit provider). If your car is financed or under a similar credit agreement, we may pay the credit provider directly, but we will notify you first.

- 6.3. The maximum compensation we provide will be the sum insured, less the following deductions:
 - 6.3.1. Any **excess** amounts owing; and
 - 6.3.2. Any **betterment** items resulting in an improved position for you; and
 - 6.3.3. Any ancillary fees or costs directly related to the finalisation of the claim, including but not limited to outstanding license fees, unpaid fines, or any reversed premiums associated with the claim.
- 6.4. Claims will be paid via Electronic Funds Transfer (EFT).
- 6.5. If your car is a total loss and we approve your claim, we have the right to take possession and ownership of the salvaged or recovered car.
- 6.6. Where an accident involves a third-party who is potentially partially or fully to blame, we will attempt to recover our loss including any **excess** amounts paid by you. To the extent that we are successful in recovering more than our own loss, we will repay your **excess** either partially or in full.
- 6.7. If at the time of a car accident your car is also insured by another insurer, we will pay our portion of the loss (up to policy limits) provided your claim is approved.
- 6.8. If your car's tyre damage isn't covered by this policy, or the repair cost is less than your **excess**, you must promptly repair it to a roadworthy condition. Failure to do so will make the damage pre-existing and not covered in future claims.

- 7.4. We can choose to stop handling the defence, settlement, or proceedings of claims relating to this policy at any time and instead pay you an amount in full and final settlement. After that, you will be responsible for handling the matter to completion including any further costs.
- 7.5. Any payments or settlement amounts received from legal action we initiate will be received directly by us. If we recover more than our losses and costs, we'll refund the **excess** portion to you.
- 7.6. We are not obliged to recover from third parties, but if we do, we will need your full cooperation to supply all relevant information and assistance reasonably required.
- 7.7. For any part of this policy covering your liability to third-parties, we can pay you up to the indemnity limit or a smaller amount (as agreed) to settle the claim. After this payment, we won't be responsible for any further costs or liabilities related to that incident.

7. Recovering our Losses in Your Place (Subrogation)

- 7.1. When we settle your claim, your right to pursue the recovery of costs and/or damages from others is transferred to us. This means that we have the right to defend or settle a claim in your name.
- 7.2. You are required to do whatever is necessary or reasonable to help us pursue recovery or to defend a claim, both before and after we pay you. If you don't help us, you might lose your policy benefits or may have to repay any benefits you've already received.
- 7.3. After an incident that might lead to a claim under this policy, we (or our authorised representatives) have the right to manage the defence, settlement or proceedings of arising claims, without assuming your liability and without affecting our rights. We have full control over all such legal recoveries, proceedings and settlement decisions.

To ensure your claims are honoured, you must comply with the terms, conditions, and exclusions of this policy.

 - b. Where there is no cover for a specific incident due to photos not being received, you are not entitled to a premium refund.
 - c. You can send the required photos using the [Prime SA Mobile App](#), WhatsApp at 078 669 4947, or email at photos@prime.co.za.
- 1.1.3. If your cover lapses due to non-payment, to reactivate it you must pay your next premium and send us an updated set of photos.

- 1.2.10. If you reverse or dispute a premium for a previous month and the current premium is successfully collected (“premium cycling”), we will redirect your current month funds to cover the reversed or disputed payment.
 - a. This will make the current premium reflect as unpaid, and you will have 15 days to make a catch-up payment.
 - b. If the catch-up payment is not made within 15 days, your cover will lapse, all benefits will cease and all **excesses** will reset.
 - c. We will notify you immediately and inform you of the options to catch up on the missed premium.

 - a. Amend or cancel the cover.
